XII INTERNATIONAL RANGELAND CONGRESS AUSTRALIA 2025

The Organising Committee invite abstracts for oral and poster presentations for the 2025 XII International Rangelands Congress, to be held in Adelaide, Australia.

The theme of the Congress is 'Working Together for our Global Rangelands Future'. Abstracts are encouraged to address one of the following subthemes:

1. Valuing rangelands and pastoral systems for their societal contribution
2. Co-design, partnerships, and incorporating traditional knowledge for more enduring rangeland outcomes
3. Technology, information systems, communication, and big data to aid monitoring and decision making
4. Integrating rangeland ecology into management
5. Managing risk - climate and other system shocks and trends
6. Livestock production systems in a world of changing drivers
7. Multi-functional land use in rangelands - moving beyond niche opportunities

Further detail on the Congress theme, subthemes and focus topics within these can be accessed on the Congress website: [IRC 2025](#).
